- 20.2.1 Regular Work Schedules. The regular work schedule for full-time employees will consist of five (5) consecutive and uniformly scheduled days with eight (8) hours of work in a seven (7) day period. Uniformly scheduled means a daily repetition of the same working hours and a weekly repetition of the same working days. The University will determine the starting and ending times and workdays based on the requirements of the position and operational need.
- 20.2.2 Alternate Work Schedules.
 - (a) Employees may be assigned to work weeks and work shifts of different lengths in order to meet business and customer service needs or in response to employee request. For full-time employees, alternate schedules will consist of forty (40) hours of work, with at least two (2) consecutive days off, in a seven (7) day period. Absent mutual agreement, alternate schedules will not include split shifts.
 - (b) Upon employee request, the University will consider allowing an employee to work an alternate schedule with flexible starting and ending times set by agreement between the employee and his or her supervisor. Employee requests to

work such a schedule will be granted or denied based on operating needs.

- 20.2.3 7(k) Schedule. Campus Police may be assigned to work a schedule that repeats in a period of up to twenty-eight (28) calendar days.

Floating work schedules will include at least two (2) consecutive days off in a seven (7) day period; days off will generally be the same from workweek to workweek. Any split shifts required of employees working a floating work schedule will include no more than two segments in a day.
- 20.3 Schedule Changes. The University may change the schedule of employees working a regular schedule or who are assigned to work an alternate schedule (as provided in Section 20.2.2(a), subject to the following:

In the event the University initiates a temporary schedule change, the employee will be notified in writing of the change at least seven (7) calendar days in advance; provided that the notice shall be at least two (2) days in the case of schedule changes for campus police working a 7(k) schedule. The day that notification is given is considered the first day of notice. Temporary changes to such employee's work schedule may be made with less than seven (7) days' notice (two (2) days for 7(k) schedules); provided that in the event a scheduled employee is assigned a temporary schedule change with less notice for reasons other than the employee's request, the employee will be given the option to work his or her normal schedule in addition to the modified schedule. A temporary schedule change is defined as a change lasting twenty-one (21) calendar days or less. Upon written request the supervisor may allow the employee to waive the seven (7) days' notice period. The supervisor will notify the employee of their decision in writing.
- 20.3.2 Permanent Schedule Changes. In the event the University initiates a permanent schedule change, the employee will be given fourteen (14) calendar days prior written notice. The day notification is given is considered the first day of notice.
- 20.4 Additional Work for Cyclic Positions. When additional work is required of a cyclic position during a period for which the position is scheduled for leave without pay, the work will be offered to the incumbent. If the incumbent declines

the offer, the University will offer the work to other qualified employees who are in cyclic year leave without pay status who have expressed an interest according to seniority.

20.5 Work Interruptions During Off-Duty Time. Time spent by employees whose off-duty hours are interrupted by work-related calls requiring more than a de minimis response will be considered hours worked, with a minimum of one-half ($\frac{1}{2}$) hour compensation for each separate situation.

20.6 Overtime.

20.6.1 Eligibility. All bargaining unit employees are eligible for overtime.

- (a) Overtime Work—Equal Distribution. Overtime will be distributed among qualified employees on a rotating basis established by the University.

- (c) Overtime Computation. For purposes of calculating overtime eligibility, all hours spent performing assigned duties and all paid leave will be considered hours worked; leave without pay, additional compensation for time worked on a holiday, and call back bonus pay do not constitute hours worked. There will be no duplication or pyramiding of overtime.

20.6.2 Overtime Hours for Employees Working Regular, Alternate, Floating or Flexible Schedules. The following will constitute overtime for employees working any schedule other than a 7(k) schedule:

- (a) Regularly scheduled employees who work beyond eight (8) hours in a day;

20.7 Compensatory Time.

20.7.1 At the employee's election, the employee may accrue compensatory time in lieu of receiving overtime pay. Compensatory time will accrue at the rate of time and one-half for each overtime hour worked. An employee will not be allowed to accumulate more than eighty (80) hours of compensatory time at a time, and any accrued compensatory time may be cashed out at any time by the employee.

20.7.2 Compensatory time off must be scheduled in advance with the approval of the employee's supervisor.

20.7.3 All compensatory time must be used by June 30th of each year. If compensatory time balances are not scheduled to be used by the employee by April of each year, the supervisor will contact the employee to review his or her schedule. The employee's compensatory time balance will be cashed out the first regular payday following June 30th or when the employee separates from the Employer.

20.8 Additional Hours for Part-Time Employees. Part-time employees assigned to work hours beyond their regularly scheduled hours will receive additional pay at their regular hourly rate for such hours up to a total of forty (40) hours in a workweek. Hours worked beyond forty (40) in a workweek will be considered overtime.

20.9 Call Back Pay. When a regularly scheduled employee has left the workstation and is required to return to the workstation outside of regularly scheduled hours, the employee will receive three (3) hours bonus pay plus time actually worked. The bonus pay will be compensated at the regular rate; time worked will be compensated at time and one-half. Time worked immediately preceding the regular shift does not constitute call back, provided time worked does not exceed two (2) hours or notice of at least eight (8) hours has been given.

20.10 Meal and Rest Periods. The University and the Union agree to meal and break

periods that vary from and supersede the paid meal period requirements of WAC 296-126-092.

20.10.1 Employees will receive a minimum of one-half ($\frac{1}{2}$) hour off, without pay, for a meal during any shift lasting longer than five (5) hours. In the event that an employee's meal period is interrupted, the meal period will be considered time **worked**.

20.10.2 Employees will receive a fifteen (15) minute paid rest period for each four (4) hours worked. In the event that an employee's rest period is interrupted it will be rescheduled.

20.10.3 Meal and Rest Periods for Employees Working Straight Shifts.

(a) Campus police and plant operators working straight shifts will not receive a paid meal period, but will be permitted to eat intermittently as time allows during their shifts while remaining on duty. Meal periods for employees on straight shifts do not require relief from duty.

(b) Campus police and plant operators working straight shifts will be allowed rest periods of fifteen (15) minutes for each one-half shift of four (4) or more hours worked at or near the middle of each one-half shift of four (4) or more hours. Rest periods do not require relief from duty. Where the nature of the work allows employees to take intermittent rest periods equivalent to fifteen (15) minutes for each half shift, scheduled rest periods are not required.

20.10.4 Rest periods may not be used for late arrival or early departure from work and rest and meal periods may not be combined. Meal periods may not be used for late arrival or early departure from work except in exceptional circumstances and with prior approval by the employee's **supervisor**.

If the nature of the work makes it necessary to limit the number of employees on leave at the same time, the employee(s) with the greatest seniority will be given her/his choice of available vacation periods. Supervisors will promptly approve or deny requests for vacation but in no case more than seven (7) days following the request. Upon request, written reasons will be promptly provided to the employee if the requested vacation is denied.
- 29.3.2 Employees who desire to take their annual leave at a specific period in time will submit to the immediate supervisor, in writing, their request prior to April 1 for the following fiscal year. The immediate supervisor will compile and publish a list made up of these requests by May 1. Employees on said list will have priority, regardless of their seniority, over subsequent requests.
- 29.3.3 Once approved, an employee's vacation will not be cancelled absent emergency or other unplanned/unforeseen situations affecting department staffing needs.
- 29.3.4 At their election, employees may use vacation in place of or in addition to sick leave for any of the purposes described in Sections 30.2.3 and 30.2.4. Employees using vacation for this purpose are expected to provide their supervisor notice of their absence as described in Section 30.4.
- 29.3.5 Employees' accrued vacation balances will be charged for the actual time of any vacation used.

29.4 Transfer of Vacation.

- 29.4.1 Employees who move to another position at the University will not lose any accrued vacation as a result of the transfer or promotion. Such employees will be notified at the time of their appointment to the new

position about any conflicts between any vacation they have pre-scheduled and the work schedule in their new area.

- 29.4.2 Employees who transfer from the University to another state agency or state institution without a break in service will transfer their accrued but unused vacation to their new employer.

29.5 Cash Out of Vacation. Except for employees who elect to transfer vacation as provided in Section 29.4, upon termination employees will be paid for their accrued but unused vacation hours at a rate calculated in accord with Office of Financial Management guidelines; provided that in no event will the rate used for vacation cashouts be less than the employee's regular rate of pay.

ARTICLE 30 – SICK LEAVE

- 30.1 Sick Leave Accrual. Full-time employees will accrue sick leave at the rate of eight (8) hours for each completed calendar month of active service; provided that an employee does not have more than ten (10) days leave without pay in that month. Part-time employees will accrue sick leave on a prorated basis. Employees may accrue an unlimited amount of sick leave.

- 30.2 Use of Accrued Sick Leave. Employees' accrued sick leave balances will be charged for the actual time of any sick leave used. Accrued sick leave may be used only for:

- 30.2.1 An absence resulting from an employee's mental or physical illness, injury, or health condition; to accommodate the employee's need for medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; an employee's need for preventative medical care; medical, dental or optical appointments and for reasons allowed under the Minimum Wage Requirements and Labor Standards, RCW 49.46.210.
- 30.2.2 A period of quarantine following the exposure to a contagious disease during the period when attendance on duty would jeopardize the health of others;
- 30.2.3 For reasons allowed under the Minimum Wage Requirements and Labor Standards, RCW 49.46.210, and for absences qualifying for leave under the Family Care Act, WAC 296-130. This includes providing care for a family member with a mental or physical illness, injury, or health condition; care of a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury or health condition; care for a family member who needs preventative medical care; or medical, dental or optical appointments. For purposes of this Article, the definition of a family member is defined as follows:

- (a) A child, including a biological, adopted, or foster child,

stepchild, or a child whom the employee stands in loco parentis, is a legal guardian, or is a de facto parent, regardless of age or dependency;

- (b) A biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child;
- (c) A spouse
- (d) A registered domestic partner;
- (e) A grandparent;
- (f) A grandchild; or
- (g) A sibling.

30.2.4 In accordance with RCW 49.46.210, when an employee's place of business has been closed by order of a public official for any health-related reason, or when an employee's child's school or place of care has been closed for such a reason. Health-related reason, as defined in WAC 296-128-600 (8), means a serious public health concern that could result in bodily injury or exposure to an infectious agent, biological toxin, or hazardous material. Health-related reason does not include closure for inclement weather.

30.2.5 Absences that qualify for leave under the Domestic Violence Leave Act, Chapter 49-76 RCW and/or EWU policy 403-05, Employee Leave Related to Domestic Violence, Sexual Assault, & Stalking.

30.2.6 Absences that qualify for leave under the Military Family Leave Act, Chapter 49.77 RCW;

30.2.7 Bereavement leave in addition to leave provided by Section 32.4, or in circumstances not covered by Section 32.4, if such use is approved in advance by the employee's supervisor; and

30.2.8 Other circumstances if authorized by the University's chief human resources officer.

30.3 Sick Leave Conditions During Vacations. When a condition identified in Section 30.2 arises while an employee is on vacation leave, the employee will be permitted upon notification to their supervisor, to use accrued sick leave in lieu of the approved vacation leave.

30.4 Sick Leave Reporting and Verification. Employees must notify their supervisor (or designee) as soon as reasonably possible when they will be absent due to illness or injury. If an employee is in a position where a relief replacement is necessary if they are absent, he or she will notify their supervisor at least two (2) hours prior to their scheduled time to report to work, whenever possible. The University may require a written medical verification for absences of three (3) or more consecutive days in accordance with RCW

49.46.210 (1)(b) and (c), or where there is reason to suspect sick leave abuse. Pursuant to RCW 49.46.210 and WAC 196-128-660, requirements for verification may not result in an unreasonable burden or expense on the employee and may not exceed privacy or verification requirements otherwise established by law.

30.4.1 Employees who are required to provide written verification for a particular absence will receive an oral or written notice memorializing that fact and informing them of the reason for the requirement before returning to work.

30.5 Return to Duty Verification. An employee returning to work after a serious Health condition under the FMLA, obtaining emergency or urgent care, or sick leave absence of five (5) or more consecutive days may be required to provide written certification from his or her health care provider that the employee is able to return to work and perform the essential functions of the job with or without reasonable accommodation. Employees required to provide a return to duty release will receive an oral or written notice before returning to work memorializing that fact. The return to duty release must be received by the University before the employee returns to work.

30.6 Annual Sick Leave Cashout. In January following any year in which an employee reaches a minimum accrual of four hundred eighty (480) hours of sick leave, the employee may receive cash at the employee's straight time rate for any unused sick leave hours accrued during the prior calendar year; provided that employees will not be permitted to reduce their sick leave balances below four hundred eighty (480) hours through sick leave cash out. Sick leave will be cashed out at a rate of one (1) hour's pay for each four (4) hours of sick leave. Hours cashed out will be deducted from employees' sick leave balance.

30.7 Cash Out. Upon retirement or death, an employee or his or her estate will receive cash at the employee's straight-time hourly rate for all sick leave hours. Sick leave will be cashed out at a rate of one (1) hour's pay for each four (4) hours of sick leave. In lieu of a cash payout for sick leave at retirement as provided by this section, an employee will receive the amount of any such payout in the form of a contribution to a medical reimbursement plan if the employee is eligible to participate in such a plan at the time of his or her retirement.

30.8 Reemployment of University Employees. Former University employees who are reemployed within three (3) years of separation will have their former sick leave balance restored for use as provided in this agreement; provided that this provision will not apply to employees whose accrued sick leave was cashed out upon retirement as provided in Section 30.6.

ARTICLE 31 – SHARED LEAVE

31.1 Availability of Shared Leave. As permitted by RCW 41.04.650 - 41.04.670 and by this Article, employees may donate accrued vacation leave, sick leave or

personal holidays to other state employees who have exhausted or are about to exhaust their own paid leave, and who have been called to military service; suffer from an extraordinary or severe injury, illness or impairment; or who have a relative or household member who is suffering from an extraordinary or severe illness, injury, or impairment; who have volunteered and been accepted into emergency volunteer service in response to a declaration of a state of emergency within the United States; or is a victim of domestic violence, sexual assault or stalking; needs time to bond and care for a newborn child after birth or to bond and care for a child after placement for adoption or foster care; is sick or temporarily disabled because of a pregnancy-related medical condition or miscarriage. For purposes of this article, the term relative includes the employee's spouse, registered domestic partner, sibling, child, stepchild, grandparent or parent; the term household member means persons residing in the employee's home who share reciprocal duties of care and financial support with the employee. The donation and use of Shared Leave will be governed by the latest iteration of the RCW and administered by the University's Shared Leave Policy, EWU 403-02.

ARTICLE 32 – ADDITIONAL REASONS FOR LEAVE

- 32.1 Family Medical Leave. Family Medical Leave will be administered according to the University's Family and Medical Leave policy. In the event that the benefits or requirements of state or federal law in effect at the time of a request for Family Medical Leave are more generous to employees than the University's policy, the University will comply with applicable law.
- 32.2 Parental Leave. Employees may request parental leave for up to four (4) months, including any period of Family Medical Leave pursuant to Section 32.1, for the birth of the employee's child or the placement with the employee of an adopted or foster child. Parental leave, as defined by RCW 49.78, must be taken within one (1) year following the child's birth or placement. Employees may, at their choice, use compensatory time, vacation leave, personal holiday and unpaid leave in any combination during parental leave. During any period of parental leave not covered by Family Medical Leave, an employee who uses less than eight (8) hours of paid leave during a month may continue his or her health insurance coverage by paying the full premium cost for that insurance. The University may deny a request for parental leave beyond any period of Family Medical Leave based on operational necessity. A response to the leave request will be provided to the employee within fourteen (14) calendar days.
- 32.3 Leave for Child Care Emergencies. Employees who must miss work due to unforeseen child care emergencies may charge their absence to any accrued paid leave or to unpaid leave; provided that accrued compensatory time must be used before any other paid or unpaid leave. Employees may use no more than three (3) days per calendar year of their accrued sick leave and vacation leave, and may take no more than three (3) days of unpaid leave per calendar year, for child care emergencies. Employees using leave due to child care emergencies are not required to obtain advance approval prior to using leave, but must notify their

supervisors of their absence as soon as reasonably possible and no later than the start of their scheduled shift.

- 32.4 Bereavement Leave. Employees will be granted three (3) days of paid bereavement leave for the death of the employee's spouse, domestic partner, child, step-child, child-in-law, parent, step-parent, parent-in-law, sibling, grandparent, step-grandparent, grandchild or household member (as defined in Article 31 – Shared Leave). The term household member means persons residing in the employee's home who share reciprocal duties of care and financial support with the employee.
- 32.5 Jury and Witness Leave. Employees subpoenaed to appear for jury service or as a witness will receive pay at their regular rate of pay for work hours missed because of their required service. Employees must notify their supervisors upon receipt of a subpoena for jury or witness duty, keep their supervisors apprised of the schedule for their jury or witness duties, and report to work when the court schedule permits.
- 32.6 Military Leave.
- 32.6.1 Paid Leave.
- (a) Employees will be entitled to military leave with pay not to exceed twenty-one (21) working days during each year, beginning October 1st and ending the following September 30th, in order to report for active duty, when called, or to take part in active training duty in such manner and at such time as they may be ordered to active duty or active training duty in the Washington National Guard or the Army, Navy, Air Force, Coast Guard, or Marine Corps reserve of the United States or any organized reserve or armed forces of the United States. Such leave will be in addition to any vacation and sick leave to which an employee is entitled and will not result in any reduction of benefits, performance ratings, privileges or pay. During paid military leave, the employee will receive his or her normal base pay.
 - (b) Employees required to appear during working hours for a physical examination to determine physical fitness for military service will receive full pay for the time required to complete the examination.
- 32.6.2 Unpaid Leave. In addition to paid military leave provided by this section, employees will be granted a military leave of absence without pay for service in the armed forces of the United States or the State of Washington, or in connection with the military deployment of a spouse during a period of military conflict, to the extent required by applicable state and federal law.

- 32.7 Leave Requests. Unless prohibited by military necessity, employees must provide the University with a copy of their orders at the time they request military leave. Requests for military leave will be made as soon as reasonably practical after the employee learns of the need for such leave.
- 32.8 Inclement Weather. If a work location remains fully operational but an employee is unable to report to work, must report to work late, or is unable to remain at work because of severe inclement weather, or conditions caused by severe inclement weather, the employee may use accrued compensatory time, personal holiday time or vacation leave, or take unpaid leave for the period of his or her absence.
- 32.9 Suspended Operations. The decision to suspend part or all of the University's operations because of emergency or other circumstances jeopardizing public health, safety or property, and the consequences of that decision on affected employees, will be governed by the University's Suspended Operations Policy. Employees will suffer no pay loss for the first one (1) day of suspended operations. The employer will distribute a campus wide e-mail for classified staff from Human Resources following suspended operations detailing how the suspension will be handled regarding time, leave, pay and make-up time. During suspended operations, essential personnel will receive premium pay at straight time for hours worked.

ARTICLE 33 – LEAVE OF ABSENCE

- 33.1 Purposes. In addition to the circumstances specified elsewhere in this Agreement, the University may approve a leave of absence for the following reasons:
- 33.1.1 To accommodate an employee's illness, disability, or injury;
 - 33.1.2 To permit an employee to complete an educational program;
 - 33.1.3 To permit an employee to serve in the Peace Corps, U.S. Public Health Service or public elected office; and
 - 33.1.4 Other circumstances, if approved by a Vice President.
- 33.2 Conditions Applicable to Leaves of Absence. Employees must submit any request for a leave of absence in writing. Except as required by law, a request for a leave of absence must meet the following conditions:
- 33.2.1 The employee must have successfully completed the probationary period prior to requesting a leave of absence;
 - 33.2.2 The employee must have a bona fide intention of returning to work following the leave;

- 33.2.3 A non-medical leave of absence must not, in the discretion of the University, interfere with operational necessity.
- 33.2.4 A leave of absence because of an employee's illness, injury or disability will not be granted until the employee has exhausted any available Family Medical Leave; and
- 33.2.5 Except for leaves of absence approved to permit an employee to complete an educational program, leaves of absence may not exceed twelve (12) months within a five (5) year period.
- 33.3 Use of Paid Leave. The employee on an approved leave of absence must exhaust all available paid leave, including compensatory time, sick leave (if available for the purpose of the employee's leave), vacation leave, and personal holiday time before taking unpaid leave; provided that an employee granted a leave of absence because of the employee's own disability may use up to thirty-two (32) hours of paid leave at a rate of eight (8) hours per month to remain eligible for paid health insurance.
- 33.4 Cancellation of Leave of Absence. The University may cancel a leave of absence if it establishes that the employee is using the leave for purposes other than those specified at the time of approval, or where there are exigent circumstances requiring the employee's return to work. The University will provide written notice to the employee that a leave of absence has been cancelled, which will set a date for the employee's return to work. Unless otherwise agreed, the employee's failure to return to work on the date prescribed will be considered job abandonment. The University will pay the expense for an independent medical exam to determine an employee's ability to return to work, if earlier than the date prescribed.
- 33.5 Benefits During Leave. An employee on a leave of absence who uses less than eight (8) hours of paid leave during a month is responsible for paying the entire premium cost (both the University and employee shares) of his or her health insurance during an approved leave of absence.
- 33.6 Reinstatement. Employees returning to work following an approved leave of absence will be returned to the position they held prior to the leave of absence or to another position in the same classification; provided that in the event the employee's position is eliminated during the time the employee is on leave, he or she will be notified and provided a time period in which to exercise any rights available pursuant to Article 38 – Reduction in Force.

ARTICLE 34 – OPEN POSITIONS

- 34.1 Opportunities for Internal Applicants. The University recognizes the importance of creating and maintaining opportunities for career advancement for qualified employees. When a bargaining unit position becomes available that the University intends to fill, the University will give priority consideration as

provided in this article to qualified classified employees who have applied to transfer, promote or demote into the position. If the University elects to leave an open position unfilled, the University will notify the Union of that fact.

34.2 Posting of Vacant Positions.

34.2.1 The University shall have the ability to create an internal only job announcement from which only current University employees will be rated for qualifications. The posting of a position for internal candidate applications will be considered by the appropriate supervisor prior to requesting a job announcement posting that would allow both internal as well as external candidates to apply.

34.2.2 Vacant positions will be posted for a period of at least seven (7) calendar days, during which time internal and external applicants may apply. The posting will include, at a minimum, a description of the work to be performed, the requirements of the position, the rate of pay and the shift.

34.2.3 The University will post open positions on its website. Upon written request, employees interested in receiving notice of newly-posted positions will receive email notification of all new postings.

34.2.4 Registers created for each open position will be maintained for twelve (12) months.

ARTICLE 35 – PROBATION AND TRIAL SERVICE

35.1 Probationary Period. Upon each employee's initial appointment into a classified position at the University, the employee will serve a probationary period which allows both the University and the employee to consider the employee's suitability for the position in light of actual job experience.

35.1.1 The probationary period for employees hired into classifications other than campus police officer will be six (6) months. The probationary period for campus police officers will extend for twelve (12) months following the successful completion of the Washington State Criminal Justice Training Commission Basic Law Enforcement Academy. In the event the employee is on leave without pay and/or shared leave for more than ten (10) working days during the probationary period, the period will be extended by the cumulative total of any such leave. In addition, the probationary period may be extended by up to six (6) months by mutual agreement between the University and the Union. An employee who changes positions before successfully completing the probationary period will be required to serve the required probationary period in his/her new position.

- 35.1.2 During the probationary period, an employee serves “at will” and may be terminated or disciplined without notice and without recourse to the grievance procedure.

35.2 Trial Service.

- 35.2.1 Employees who have successfully completed a probationary period will serve a trial service period of six (6) months when they request and are selected for a:

- (a) Promotion;
- (b) Transfer to a position in a new bargaining unit; or
- (c) Lateral move or voluntary demotion to a classification in which they have not previously held permanent status.

In the event the employee is on leave without pay and/or shared leave for more than ten (10) working days during the trial service period, the period will be extended by the cumulative total of any such leave. An employee whose position is reallocated to a higher job classification based on a determination that the employee has been performing the job duties of the higher classification will not be required to serve a trial service period.

- 35.2.2 If, during the trial service period, the University determines that an employee is not succeeding in a new position, the employee will be reverted to an authorized vacant position in a classification in which the employee most recently held regular, cyclic or project status and for which the employee still meets the minimum qualifications. In the event that no such vacant position exists, the employee will be offered the layoff rights provided in Section 38.3. The University may displace an employee from his/her existing position to the extent required to give effect to reversion rights of those employees who have not successfully completed a trial service period (including a trial service period in another bargaining unit).

- 35.2.3 The University’s determination that an employee has not succeeded in a position during a trial service period may not be challenged through the grievance procedure.

- 35.3 Layoff of Displaced Employees. An employee displaced by an employee exercising reversion rights will be provided with his/her layoff rights in accord with Article 38.

ARTICLE 36 – PERFORMANCE EVALUATIONS

- 36.1 Purpose. The purpose of employee performance evaluation is to develop and maintain communication between the employee and his or her supervisor. This communication is intended to achieve a mutual understanding of past performance and an agreement concerning the focus and objectives for future performance.
- 36.2 Frequency of Evaluations.
- 36.2.1 Employee work performance will be evaluated during probationary and trial service periods and annually thereafter. If the supervisor identifies a performance concern during the evaluation period, the supervisor may provide feedback. The supervisor will provide written documentation to the employee with a copy kept in the supervisor's working file.
- 36.2.2 Unless otherwise agreed, the employee who has successfully completed his or her probation or trial service period will be evaluated annually within thirty (30) calendar days of their anniversary date. In the event that an employee's evaluation is not completed within this timeframe, the employee's performance will be considered satisfactory for the prior review period. In the event an employee is absent on the 30th day of the performance evaluation period, the deadline will be extended on a day for day basis.
- 36.3 Evaluation Process.
- 36.3.1 At the time of hire into a new position, an employee will be provided with a copy of his or her job description, class specification, performance expectations and performance rating factors.
- 36.3.2 At the time of hire and annually thereafter during the employee's annual review, the immediate supervisor will discuss with the employee job duties and performance expectations for the coming review period. The employee will be notified of any modifications to the job duties or performance expectations made during the review period.
- 36.3.3 As part of the performance evaluation process, employees will be provided with a written performance evaluation in a form selected by the University, which will include a signature line for the employee to acknowledge receipt of the evaluation and a space to record the employee's comments regarding the evaluation. The employee's supervisor will meet with the employee to discuss the evaluation and the reasons for it. Once completed, the performance evaluation, including the employee's written comments and those of any reviewer in addition to the employee's supervisor, will be copied for the employee and maintained in the employee's personnel file. In the event that an employee does not have sufficient time to submit their comments to the evaluation prior to the 30 day deadline set forth in Article 36.2.2, the employee may request an additional seven (7) days

to submit his/her comments to the reviewer. In such case, the review will be copied for the employee and maintained in the employee's personnel file at the expiration of the additional seven (7) day period.

- 36.4 Grievances. The employee may not challenge the content of any performance evaluation through the grievance procedure in Article 40.

ARTICLE 37 – CONSTRUCTIVE ACTION AND DISCIPLINE

- 37.1 Constructive Action. Constructive action is not discipline and is focused on improving the employee's performance, attendance or conduct. Constructive action involves verbal or written communications from the supervisor to the employee that are designed to assist the employee in correcting the performance, attendance or conduct concern. Non-disciplinary constructive action includes informal discussions, clarification of expectations, performance improvement plans and; coaching and counseling letters. Constructive action does not require compliance with the investigative guidelines. Constructive action may not be challenged through the grievance procedure in Article 40.
- 37.1.1 Informal discussions, clarifications of expectations, and/or performance improvement plans will be documented to the supervisor's working file. Supervisor's documentation may be used for reference in discipline if the performance, attendance or conduct does not improve. Employees will be provided with a copy of the clarification of expectations or performance improvement plans.
- 37.1.2 Changes to expectations and/or coaching and counseling letters will be provided to the employee with a copy to the personnel file. Coaching and counseling letters will be removed from their personnel files as described in Article 15.4.
- 37.2 Discipline
- 37.2.1 Just Cause. The University will not discipline any employee who has completed the probationary period without just cause.
- 37.2.2 Types of Discipline. Discipline includes written reprimands, reductions in pay, suspensions, demotions, and discharges.
- 37.3 Employee Privacy. When disciplining an employee, the University will make a reasonable effort to protect the privacy of the employee.
- 37.4 University Investigations of Suspected Misconduct.
- 37.4.1 The University will not discipline employees based on alleged or suspected employee misconduct without first conducting an appropriate investigation. The University will investigate and dispose of reports of

suspected employee misconduct in an orderly and timely fashion. Within thirty (30) working days of the time management suspects that misconduct may have occurred, the University will notify the employee that an investigation has been commenced, and the subject matter of that investigation; provided that this timeline will not require disclosure of an investigation being conducted by law enforcement, the attorney general's office, or another agency with investigative authority. If a complaint against an employee forms the basis for an investigation, the employee will be notified during the investigation of the identity of the accuser unless such disclosure is prohibited by law, would compromise the investigation or would endanger the safety of the accuser.

- 37.4.2 Upon request, an employee has the right to a Union representative at an investigatory interview called by the University if the employee reasonably believes discipline could result. An employee may also have a Union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative. If no representative is available, the meeting will be rescheduled.
- 37.4.3 The role of the Union representative in regard to University-initiated investigations is to provide assistance and counsel to the employee and not interfere with the University's right to conduct the investigation. Every effort will be made to cooperate in the investigation.
- 37.4.4 Employees placed on an alternate assignment during an investigation will not be prohibited from contacting their Union steward unless there is a conflict of interest, in which case the employee may contact another Union steward. This does not preclude the University from restricting an employee's access to University premises.
- 37.5 Pre-Disciplinary Notice. Prior to imposing discipline involving a loss of pay or termination of employment, the University will inform the employee in writing of the reasons for the contemplated discipline and an explanation of the evidence. The University will provide the Union with a copy. The employee will be provided an opportunity to respond either at a meeting scheduled by the University, or in writing if the employee prefers. A pre-disciplinary meeting with the University will be considered time worked.
- 37.6 Notice of Reduction in Pay, Demotion or Suspension. The University will provide an employee with fifteen (15) calendar days written notice prior to the effective date of a reduction in pay, demotion or suspension.
- 37.7 Grievance of Disciplinary Action. The University has the authority to impose disciplinary action. Employees who have completed probation may challenge disciplinary actions more severe than oral reprimand through the grievance procedure in Article 40.

- 37.8 Job Abandonment. When an employee has been absent without authorized leave and has failed to contact the University for a period of three (3) consecutive days, the employee is presumed to have abandoned his or her position. The University will make reasonable efforts to contact the employee during this three (3) day period. The University will separate the employee by sending a separation notice by certified mail to the employee's last known address. The employee will have seven (7) days from the date the notice was mailed to petition the University in writing if he or she wishes the University to consider reinstatement. The petition must provide proof that the absence was involuntary or unavoidable. Denial of a request for reinstatement may be challenged through the grievance procedure in Article 40.

ARTICLE 38 – REDUCTION IN FORCE

- 38.1 Purpose and Notice. In the event that the University determines that financial or operational needs require a layoff, the University will identify the specific position(s) affected by the layoff, and will provide a minimum of thirty (30) days notice to the employee(s) holding positions designated for layoff. The notice will identify whether the layoff is caused by financial or operational needs, and will be copied to the Union. During the notice period, the Union may suggest alternatives to the layoff. For purposes of this Article, a reduction in the regularly scheduled hours of a position will be considered a layoff, and will permit an affected employee to exercise the rights identified in Section 38.3 below.

- 38.2 Voluntary Alternatives to a Layoff. As part of its consideration of alternatives to a layoff, the University will consider employee requests to voluntarily reduce hours, transfer, demote or take leave without pay.

- 38.3 Regular and Cyclic Employee and Recall Layoff Rights.

- 38.3.1 Options In Lieu of Layoff. Regular and cyclic employees who have completed their probationary period and who are designated for layoff will be given the option to move to one of the following positions in lieu of layoff, if that position is available:

- (a) Full-time, regular positions in a class(es) in which the employee has held permanent status; or
- (b) Full-time, regular positions in a lower class(es) in the same series for which the employee is qualified.

As an alternative to full-time, regular positions, employees may elect to have access to positions that are project, part-time or cyclic by making such a request in writing.

- 38.3.2 Available Positions. A position is available under this section if it is a position for which the employee designated for layoff meets any

requirements included in the job description, and the position is vacant or:

- (a) Held by the least senior person in the classification; and
- (b) Held by an incumbent employee with less seniority than the employee designated for layoff.

38.3.3 Notification of Options. Employees will be presented, in writing, with a choice among the three (3) highest paid and available positions into which they may move. Employees will have three (3) working days in which to notify the Human Resources Department of their intent to accept an option in-lieu of layoff or to request placement on the layoff list. Employees who do not accept an option within three (3) working days will be deemed to have waived all such options, and will be laid off. Following the option period, a written notice of at least fifteen (15) calendar days will be given prior to layoff or action taken in-lieu of layoff.

38.3.4 Regular and Cyclic employees who are scheduled for layoff, have been laid off, or have accepted another appointment in lieu of layoff will be placed on layoff lists for regular, cyclic or project positions for the class(es) in which they have held permanent status and all lower classifications in these class series.

38.4 Project Employee Layoff and Recall Rights.

38.4.1 Project employees designated for layoff will have layoff rights within their project. Options available within the project will be determined using the procedure outlined in Section 38.3.

38.4.2 Project employees who are scheduled for layoff, have been laid off, or have accepted another appointment in lieu of layoff will be placed on layoff lists for project positions for the class(es) in which they have held permanent status and all lower classifications in these class series.

38.4.3 Employees who have successfully completed probation in a regular or cyclic position and who accept employment in a project position without a break in service will have the layoff rights associated with the position they held immediately prior to accepting project employment.

38.5 Layoff Lists. The University will maintain one set of layoff lists for regular/cyclic positions and a second set of layoff lists for project employees. Layoff lists will be University wide, by class, with employees ranked according to seniority. The University will provide the Union with an updated copy of the regular/cyclic and project layoff lists at the end of each calendar year or as requested.

38.6 Return from Layoff. No open position in a job classification will be posted by the University, and no temporary position in a job classification will be filled, until all employees on the layoff list for that classification have been offered reemployment in the open or temporary position. The term of eligibility for each name on the layoff list will be two (2) years from the date the employee's name is placed on the layoff list, with an extension of an additional year upon written request of the eligible employee. Employees who have accepted a position in lieu of layoff, or are returned to a position following layoff, will be removed from the layoff lists for the classification in which they accept a position and all lower classifications. An offer of reemployment into the employee's previous job classification will be made in writing and sent by certified mail or, if requested by the employee, email. Employees are responsible for notifying the Human Resources Department of any changes to their mail or if applicable, email addresses.

38.7 Benefits Following Recall.

38.7.1 Salary. An employee appointed from a layoff list will assume the salary step held at the time of layoff if he or she is returned to the same class occupied immediately prior to layoff unless this represents a salary reduction for the employee. If an employee accepts a layoff list option the employee's salary at the time of layoff will be retained provided it does not exceed the top step of the classification.

38.7.2 Sick Leave and Seniority. An employee appointed from a layoff list will be credited with sick leave and seniority accrued at the time of layoff.

38.7.3 Increment Date. An employee appointed from a layoff list will have their periodic increment date extended by an amount of time equal to the period of layoff in order to give credit for time served in a salary step prior to layoff.

ARTICLE 39 – SENIORITY

39.1 Seniority Date. Seniority will be based on the employee's date of hire for his or her most recent period of continuous state employment.

39.2 Adjustment of Seniority Dates.

39.2.1 Veterans Preference. Employees who have completed probation and who are veterans or the unmarried widows/widowers of veterans will have added to their seniority their total active military service (or that of their deceased spouse), not to exceed (5) years. For purposes of this article, the term "veteran" means any person who has one (1) or more years of active military service in any branch of the armed forces of the United States or who has less than one (1) years' service and is discharged with a disability incurred in the line of duty or is discharged at the convenience of the government and who, upon termination of such service, has received an honorable discharge, a discharge for physical

reasons with an honorable record, or a release from active military service with evidence of service other than that for which an undesirable, bad conduct, or dishonorable discharge is given.

39.2.2 Unpaid Leave. Approved unpaid leave will not result in a break in service, but will result in adjustment of an employee's seniority date on a day-for-day basis for each day the employee spends on unpaid leave; except as follows:

- (a) Cyclic employees will not have their seniority dates adjusted because of their regularly scheduled period(s) of unpaid leave.
- (b) Employees who are receiving time loss benefits through workers' compensation, and who are not augmenting those time loss benefits through use of other paid leave, will not have their seniority date adjusted unless their time in such status exceeds six (6) months.

39.2.3 Employees will maintain their seniority date during a period of unpaid military leave as required by applicable law.

39.2.4 Layoff. Time spent in layoff status will not be considered a break in service if the employee is recalled to work from a layoff list. Upon recall from a layoff list, an employee's seniority date will be adjusted by the period of time the employee spent in layoff status.

39.2.5 Exempt Appointments. Time spent by employees working in exempt positions will not be considered a break in service. In the event that an employee returns to a bargaining unit position, the employee's seniority date will be adjusted by the period of time the employee spent in an exempt position(s).

39.3 Ties. Ties in seniority will be broken by the following criteria in the following order: length of continuous service in the current job classification; length of continuous service with the University; length of total accumulated time in state service; by lot.

ARTICLE 40 – GRIEVANCE PROCEDURE

40.1 Purpose. The Union and the University encourage problem resolution between employees and management, and are committed to resolving disputes at the earliest opportunity and at the lowest level possible.

40.2 Definition of Grievance. A grievance is a dispute between the University and the Union, on its own behalf or on behalf of an employee or group of employees, over an alleged violation, misinterpretation or misapplication of an express term or provision of this Agreement.

40.3 Time Limits.

40.3.1 Time limits within the grievance procedure may be waived or extended by the mutual agreement of both parties. If the Union, on behalf of the employee(s), fails to act or respond within the specified time limits, the grievance will be considered waived. If the University fails to respond within the specified time limits, the grievance will proceed to the next step of the grievance procedure.

40.3.2 The day after the event, act or omission will be the first day of a timeline under this article. In the event a time limit under this Article ends on a weekend or holiday, the deadline will automatically be extended to the following University business day.

40.3.3 Submissions will be considered timely under this Article if they are received by 5:00 p.m. on the last day called for under an applicable time limit.

40.4 Submission of Grievances and Responses. All grievances and requests for arbitration must be submitted to the University's chief human resources officer or designee, by fax, hard copy, and/or electronic mail, who will be responsible for distributing the grievance or request to the appropriate University representative for response. All University responses will be submitted to the Union's Spokane business office by hard copy or fax.

40.5 Employee Representation. Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. The grievance will state the name of the employee or the names of the group of employees. The Union, as exclusive representative, is considered the only representative of the employee in each step of the grievance procedure and at any meetings scheduled to discuss a grievance. The Union has the right in each step of a grievance to designate the person who will represent the employee on behalf of the Union.

40.6 Informal Resolution. Employees are encouraged to attempt to resolve complaints through informal discussion with their supervisors prior to filing a grievance.

40.7 Step 1. Regardless of the status of any informal discussion regarding a grievance, the Union, on behalf of the aggrieved employee(s), will submit the grievance in writing to the Human Resources Office within twenty-eight (28) calendar days of the day the employee or Union knew or reasonably should have known of the events giving rise to the grievance. Unless mutually agreed otherwise, following the submission of the grievance at step one the Union, grievant(s) and the appropriate University representatives will meet to clarify the issues raised in the written grievance and/or to explore options for resolving the grievance. The written statement will include the facts giving rise to the grievance, the section(s) of the Agreement allegedly violated, and the remedy sought. The appropriate Administrative Head or designee will respond to the grievance in writing within fourteen (14) calendar days of its receipt.

- 40.8 Step 2. Should Step One fail to resolve the grievance, within fourteen (14) calendar days following its receipt of the Administrative Head's or designee's response, the Union will submit the written grievance to the Human Resources Office for consideration by the appropriate Vice President, the Provost or the President, depending on the employee's chain of command, or the officer's designee. The appropriate officer or designee will respond in writing to the grievance within fourteen (14) calendar days following its receipt. Unless mutually agreed otherwise, following submission of the grievance at Step Two, the Union, grievant(s) and the appropriate University representatives will meet to discuss the issues raised in the original grievance and/or to explore options for resolving the grievance.
- 40.9 Step 3. Should Step Two fail to resolve the grievance, the Union will submit a written request to the University to arbitrate the grievance within fourteen (14) calendar days after its receipt of the officer's or designee's response.
- 40.10 Pre-Arbitration Review. Within fourteen (14) calendar days of the receipt of the arbitration demand, the University will discuss with the Union whether the parties wish to meet to review and attempt to settle the dispute. If the parties do not agree to conduct such a meeting, the University will confirm that fact in writing to the Union.
- 40.11 Arbitrator Selection.
- 40.11.1 Within thirty (30) calendar days following a pre-arbitration review meeting or the Union's receipt of written notice that no meeting will take place, the Union may request a list of eleven (11) arbitrators from the American Arbitration Association ("AAA"). The list will be limited to arbitrators from Washington and/or Oregon.
- 40.11.2 Within fourteen (14) calendar days following the receipt of the list of eligible arbitrators, the parties' representatives will meet to select an arbitrator. The parties will each strike five arbitrators from the list in an alternating order, and the remaining arbitrator will hear the dispute. The party exercising the first strike will be the loser of a flip of a coin.
- 40.12 Rules Governing Arbitration.
- 40.12.1 Unless otherwise agreed by the parties, challenges to the procedural arbitrability of a grievance will be resolved in a proceeding separate from and prior to arbitration on the merits of the grievance. Within fourteen (14) calendar days following receipt of an arbitrator's decision ruling that a challenged grievance is subject to arbitration, the parties will begin the process described in Section 40.11 to select an arbitrator to rule on the merits of the grievance.
- 40.12.2 The arbitrator will:

- (a) Be limited to interpreting and applying the terms of this Agreement, and will have no authority to rule contrary to, add to, subtract from, or modify any of the provisions of this Agreement;
- (b) Be limited in his or her decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
- (c) Not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this Agreement;
- (d) Not have the authority to order the Employer to modify its staffing levels or to direct staff to work overtime.

40.12.3 Arbitrations will take place in accord with the Labor Arbitration Rules of AAA unless the parties agree otherwise in writing. The arbitrator will have the authority to require the presence of employees and/or documents.

40.12.4 The arbitrator will issue a written decision to the parties within thirty (30) calendar days of the close of the hearing or the submission of post-hearing briefs, whichever is later. The decision will be final, conclusive and binding on the University, the Union and the employees; provided that the decision does not include action by the arbitrator beyond his or her jurisdiction.

40.12.5 Arbitration Costs.

- (a) The expenses and fees of the arbitrator and the cost (if any) of the hearing room will be shared equally by the parties.
- (b) If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements and/or cancellations will be shared equally by the parties.
- (c) If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator, free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript and a copy.
- (d) Each party is responsible for the costs of its staff representatives, attorneys, and all other costs related to the development and

presentation of its case. When an employee is subpoenaed as a witness on behalf of the Union in an arbitration case, the employee may appear without loss of pay if he or she appears during his or her work time; provided the testimony given is relevant and related to his or her job function or involves matters he or she has witnessed. Every effort will be made to avoid the presentation of repetitive witnesses. The Union is responsible for paying any travel or per diem expenses for its witnesses, the grievant, and its representatives.

- 40.13 Documents Relating to Grievances. Documents related to the processing of a grievance will be maintained and filed separately from the personnel files of the employee(s). Documents relating to disciplinary actions that are later reversed will be removed from the employee's personnel file and any other related files within fourteen (14) calendar days and destroyed or given the employee.

ARTICLE 41 – UNION ACTIVITIES

- 41.1 Officers and Stewards. The Union will furnish to the University an up-to-date list of officers and stewards and their work locations at least annually with changes as they occur. The University will not recognize any officer or steward whose name does not appear on the list.
- 41.2 Union Access. Union staff representatives and bargaining unit stewards will have access to University premises at reasonable times and with reasonable advance notice to the appropriate administrator. Such visits will be conducted in a manner that will not be disruptive to University operations or interrupt employees' work time.
- 41.3 Stewards as Representatives.
- 41.3.1 Stewards, as part of their representational responsibilities, may participate in the resolution of bargaining unit employees' grievances and concerns. Stewards are authorized to investigate and process grievances and carry out representational responsibilities as representatives of the Union for the bargaining unit. Stewards also coach and mentor new stewards.
- 41.3.2 Employee(s) will have the right to request and to have a representative present during investigatory interviews (as provided in Section 37.4), meetings regarding disciplinary action, meetings regarding grievances, and conferences/discussions with management to discuss the employee's concerns. Management will either grant the request for Union representation or terminate the meeting, conference, or discussion.
- 41.4 Release Time.

- 41.4.1 Release Time for Representational Activities. Officers and stewards will be released during work hours without loss of pay for reasonable periods of time to perform representational activities as provided in this article; provided that in the event a steward uses more than sixteen (16) hours of release time in any calendar month, the University may contact the Union to discuss the cause of the release time and a method for reducing the amount of release time.
- 41.4.2 Release Time for Collective Bargaining. Up to six (6) members, no more than five (5) of whom work in the same bargaining unit, will be released during work hours without loss of pay to participate in the Union's bargaining team during collective bargaining for a successor to this Agreement; provided that such release time will be limited to time spent meeting with the University's bargaining team and will not be used for bargaining preparation. The Union will provide the University with the names of employees receiving release time prior to the end of each session.
- 41.4.3 Notification and Reporting of Release Time. Union officers, stewards and negotiating team members must notify their supervisors before performing any representational activities that will take them away from work for a period of longer than fifteen (15) minutes, and all release time must be recorded on the employee's time sheet. Supervisors may deny a request for release time and/or request that the employee seek a delay of the meeting for which release time is sought if the employee's presence is necessary to complete a time-sensitive assignment. The University and the Union agree to develop a handout to assist employees in identifying what activities should be recorded as release time and how to correctly record the time on the electronic timesheet.
- 41.4.4 Communications with Employees. Absent prior approval from their supervisors, employees who wish to discuss a matter with a Union officer or steward in a manner that will require more than de minimis time away from work are expected to do so during break time, a meal period, or outside of work hours. Union officers and stewards are expected to remind employees of this obligation.
- 41.5 Attendance at Board Meetings. The Union will designate an employee representative who will be allowed to attend the regularly scheduled Eastern Washington University Board of Trustees meetings and report on Union issues for both bargaining units consistent with the bylaws of the Board of Trustees. The employee representative participating in such meetings will receive her/his regular salary from the University, and such travel and all other expenses as they may incur for attendance at such meetings will be borne by the Union.
- 41.6 President Appointed Committee Participation. The President may appoint union representation on certain University committees. The employee representative

participating in meetings for which they have been appointed by the President will receive his/her regular salary from the University, and such travel and all other expenses as they may incur for attendance at such meetings will be borne by the Union.

41.7 Use of Facilities and Services.

41.7.1 University space, facilities, and services (e.g., mail, copiers, phones, fax, electronic communications, etc.) may be used by the Union for the purpose of holding meetings and for the conducting of employee representational functions subject to the availability of space, limitations of state law, and established policies and procedures governing the use of University facilities.

41.7.2 Bulletin Boards. The University will provide six (6) covered, lockable bulletin boards on the Cheney campus and, if approval can be obtained from Washington State University, one (1) covered, lockable bulletin board on the Riverpoint campus, for use by the Union for Union communication. The Union will designate a staff representative, officer or shop steward who will be responsible for materials posted on the bulletin boards and for keeping the key to the bulletin boards. Material posted on the bulletin board will be appropriate to the workplace, politically non-partisan, in compliance with state ethics laws, and identified as Union literature.

41.7.3 The University will continue to provide to the Union the trailer with current amenities. Any changes in location of the trailer and/or space must be negotiated with the Union.

41.8 Time Off for Union Activities. Union officers and stewards may be allowed time off without pay to attend Union-sponsored meetings, training sessions, conferences, and conventions; provided that the time off does not interfere with University operating needs. If the absence is approved, the employees may use accumulated compensatory time or vacation leave instead of leave without pay; provided that any accrued compensatory time must be used in advance of vacation leave.

41.9 Paid Release Time for University Meetings. Union officers, stewards or other designated employee representatives attending a meeting or function on behalf of the Union at the request of the University will be granted paid release time for such meeting or function.

41.10 New Employee Orientation. As part of the new hire orientation process, the University will inform all new employees hired in a position included in the bargaining unit of the Union's exclusive recognition and the rights of the employees as set forth in the Agreement. The University will furnish a copy of the Agreement to all current employees in both bargaining units and copies of the agreement to the Union for purposes of distribution during new employee orientation. The University will allow the Union thirty (30) minutes during work

ARTICLE 42 – UNION-MANAGEMENT COMMUNICATION COMMITTEE

The University and the Union will maintain a Union-Management Communication Committee to provide a forum for communication between the parties and to promote constructive labor-management relations. Committee meetings will be used for discussions only; the committee shall have no authority to conduct any negotiations or modify the provisions of this Agreement. The agenda shall be limited to items that are of a group rather than an individual interest or concern and shall not include individual grievances properly processed under the grievance procedure.
- 42.2 Informal Resolution of Issues. The parties acknowledge that informal communication about problems or concerns between employees and supervisors, and between the Union and the University play a vital role in maintaining positive labor relations. The parties are responsible for paying any travel or other expenses incurred by their chosen representatives.
- 42.5 Scheduling of Meetings. Meetings of the Committee will be scheduled quarterly. The Committee may meet more or less frequently as agreed by both parties. Either party may request a meeting of the Union-Management Communication Committee by sending a written request, including a description of the issue(s) to be addressed, to the other party. Requests directed to the University will be submitted to the University's labor relations manager; requests directed to the Union will be submitted to the Union's Spokane business office. Committee meetings will be scheduled at a mutually acceptable time and place. Both parties will provide a written list and description of agenda items at least fourteen (14) calendar days prior to the meeting.

- 42.6 Minutes. The University will designate a person to prepare summary minutes of committee meetings. The content of the summary minutes, which will consist of the issues discussed, the outcome of the discussion, and any agreements reached, will be discussed by the committee at the conclusion of a committee meeting. The final minutes will be provided to all committee members and approved by the committee prior to being posted on the University's labor relations website.

ARTICLE 46 – WORKPLACE BEHAVIOR

- 46.1 The Employer and the Union agree that all employees should work in an environment that fosters mutual respect and professionalism. All employees are responsible for contributing to such an environment and are expected to treat others with courtesy and respect.

- 46.2 Inappropriate workplace behavior by employees, supervisors and/or managers is prohibited. If an employee and/or the employee's union representative believes the employee has been subjected to inappropriate workplace behavior, the employee and/or the employee's representative is encouraged to report this behavior to the employee's supervisor, a manager in the employee's chain of command and/or the Human Resources Office pursuant to the Investigation Guidelines.

At which time, the employee will return to work or be required to use available leave balances if the employee is unable to return to work.
- 2. All employees notified of a positive controlled substance or alcohol test result may request an independent test of their split sample at the employee's expense. If, the independent test is negative, the employer will reimburse the employee. A positive alcohol or controlled substance test may result in discipline in accordance with Article 12. If any employee tests negative and there are remaining concerns regarding the employee's safety and fitness for duty, the employee will be referred for an additional examination by a medical professional per Section 1(a) above.
- 3. If the employee is found to be unfit for duty following the medical examination he/she will be immediately placed on a medical leave of absence. If a third opinion is deemed necessary, the costs shall be the responsibility of the employer. For third opinions, the parties will agree on a third opinion medical provider to ensure that an evaluation is completed by an appropriate physician or psychologist. Employees will execute an appropriate medical release to allow the medical examination report(s) to be shared with the University to determine fitness for duty and/or initiate the reasonable accommodation dialogue if appropriate.
- 4. All requests for a Fitness for Duty evaluation or reasonable suspicion examination will be reviewed and approved or denied by the Associate Vice President of Human Resources Officer or designee prior to sending an employee for an evaluation. All information will be handled in accordance with Article 15.5 and will not be placed in the employee's personnel file.
