Dr. Rodolfo Arévalo
President
Eastern Washington University
214 Showalter Hall
Cheney, WA 99004-2444

Dear Dr. Arévalo:

This is to report that the Council on Accreditation of Parks, Recreation, Tourism, and Related Professions (COAPRT) received and reviewed the additional documentation provided by Eastern Washington University's Department of Physical Education, Health and Recreation in response to the Council's November 3, 2011 letter. At its meeting on May 9, 2012, the Council voted to accept the additional documentation, found the program to be fully in compliance, and reaffirmed the program's accreditation status.

Your institution's accreditation by COAPRT is valid until the program's next review in fall 2016. The program should expect an on-site visit in spring 2016. To maintain accreditation, the institution must also comply with the Council's requirements for timely submission of annual fees and reports.

The Council is pleased to maintain Eastern Washington University on the list of accredited institutions in recreation, park resources, and leisure services education.

Sincerely,

Danielle Price
Accreditation Manager
