**RCLS 313: Wildland Recreation Management
Group LMA Video Presentation Assignment
Grading Rubric—100 points possible**

Group Members:

Topic:

Date:

Part I—Land Management Agency Research:

_____ **20 points**

Video includes primary research in relation to land management agency, including:

- History and origin of agency
- Philosophy of agency
- Agency structure
- Types of lands managed
- Important Acts and Laws
- Controversies and issues

Part II—Land Management Agency Property Visitation:

_____ **20 points**

Video addresses all the questions given below in relation to the chosen agency and property.

1. What is the main purpose/philosophy of this property?
2. Who does this property serve?
3. What programs are available for the public at this location?
4. What facilities are available for the public at this location?
5. What did you do and where did you go while visiting the property?
6. What is the most interesting thing you saw/experienced while at the property?
7. Please include video of your entire group at this property with property sign.

Part III—Presentation Plan/Script:

_____ **20 points**

An overall presentation plan/script was developed that outlines the video presentation and answers all the items noted above and was turned into the instructor. Work completed by each group member was noted.

Part IV—Video Presentation:

_____ **30 points**

Developed a 5-10 minute video presentation for the class answering all items noted above. The video is informational and promotional in nature and effectively highlights the land management agency and the property visited. Group members cast themselves in any needed roles to make the video a professional and creative piece (no use of cheap/lazy humor).

Criteria:

_____ **10 points**

- Follow all Written Assignment Policies as noted in syllabus.
- Documents at least two (2) resources. Resources may include books, journals, articles, texts, etc. (You may not include any Wiki based websites).
- Notes the work completed by each group member.
- Makes a copy of the presentation plan/script for the instructor.
- Makes a copy of the video on DVD for the instructor.
- The video is ready to present on the due date. Group has quick access to the video.
- All work is completed and turned in on time.
