"Alpha Phi does an annual CPR training called 'Take Heart Take Part'. This year we wanted to open our program to the Panhellenic community to raise awareness of heart disease and what you can do to keep your heart healthy! We believe the Panhellenic community should have the same access to this information because heart disease could affect any one of us, and we are all in this together." – Alicia Decker, Alpha Phi

"One of our brothers organized a canned food drive with Second Harvest in Spokane. We collected food at Yoke's and had a chance to talk to a lot of people about what we were doing. We want to provide meals for the holidays for families in the area who are less fortunate. We collected over 500 pounds of food and raised \$535 which provided just over 3,200 meals." –Connor Attridge, Sigma Phi Epsilon
